

**CUNY School of
Professional Studies**

SPS.CUNY.EDU

2020 Fall Data-622-M02

Introduction to Machine Learning and Big Data
Agenda: parametric classifier-Logistic Regression
Raman Kannan

Instructor Email Address: Raman.Kannan@sps.cuny.edu

Acknowledgements:

Generous support from IBM Power Systems Academic Initiative
IBM PSAI provides computing infrastructure for free

Agenda for M02

Q & A on Course structure and M01
Logistic Regression
Putting our process into practice
Analyzing the model output

Reading Material
ISLR;Chapter 4

List of Topics to be covered in this course: Enumerated
Introductory Handbook for ML Practitioners
Chapter 02: Logistic Regression
